THE CHEF'S PERFECT SANDWICH

Meatloaf Sandwich

Smoked Gouda, tomato jam, ciabatta roll 14

We all grow up thinking our mother's meatloaf is better than anybody else's, at least I know that's how I felt. I've always loved my Mom's meatloaf & here I made a more upscale version but kept all the flavors of home. Growing up in the Midwest, we always had fresh beef, milk & vegetables from the farmer next door & that's what we are trying to reflect here.

So from my childhood to yours, I hope you enjoy.
